CHAPLAINS & MILITARY PERSONNEL

What is 38370?

Yes, correct, it is the ZIP CODE of Saltillo, TN, BUT, more germane to Chaplain Ministries,
It is the PRCC Chaplain Ministries' Combined Federal Campaign (CFC) #

The CFC is the "United Way" for Federal Employees (Military Personnel, Federal Courts, Federal Civilian and Post Office Employees). When these folks are encouraged by their Federal Employer for 100% participation, they can now choose to direct their CFC gifts to support our Chaplains through the PRCC! They are likely already giving to some cause, they can now choose us!

Please communicate this good word to all of the Federal Employees in your sphere of influence. The Campaign takes place in October and November, so please include this information in your church and presbytery bulletins and newsletters during that timeframe. Enclosed is a sample bulletin/newsletter insert that you can duplicate and distribute.

CFC #38370 Mission to North America (PRCC)

Website: www.prcc.co

The PRCC provides constitutionally-approved religious support (biblical preaching, teaching and counseling) for America's Soldiers, Sailors, Marines, Guardsmen, and Airmen.

"The Presbyterian and Reformed Commission on Chaplains and Military Personnel is a ministry of member denominations dedicated to obeying Christ's Great Commission by providing men to serve as chaplains in military and civilian organizations. The Commission endorses and ecclesiastically supports ordained, qualified chaplains; approves chaplain candidates; and helps presbyteries and congregations in biblical ministry to military personnel and their families."

PRCC Navy Chaplain Louis Lee is shown here administering the Lord's Supper to his former good friend CAPT Eric Terhume (O-3) who was later killed in action (Summer 08' in Afghanistan)

Chaplain Lee writes: "Eric was a Marine. We spent a lot of time talking about spiritual issues and the challenges of growing closer to God. He was one of the most devout and supportive Marines on board. I would describe him as one of the most selfless, devoted-to-God and country, squared-away Marines I've ever known. The following year he volunteered to be deployed to Afghanistan. I remember talking with him one day about fear of death and how he overcame his fears, and he quickly quoted back to me: "for me to live is Christ and to die is gain."
