

THE CITY OF KENOSHA

Wisconsin Presbytery Church Plant

Presbyterian Church in America

In **Kenosha, Wisconsin** the Kenosha Area Business Alliance (KABA) boasts, "Kenosha is where you experience life **perfectly centered**." While KABA is referring to Kenosha's location midway between Milwaukee and Chicago, our hope is to plant a church that will reach the community so that their lives are **perfectly centered** on Christ.

As the fourth-largest city in Wisconsin and an area where 63% of the people claim to have no

religious affiliation, the need for a church plant is great. Although over 100 churches are listed in Kenosha, there is little to no reformed presence.

The majority of churches in the Wisconsin Presbytery are invested in their church planting network, "On Wisconsin." The goal of "On Wisconsin" is to plant 16 more churches in Wisconsin in 10 years.

Since 2012, 5 churches have taken root, 5 new works have started and 2 RUF chapters have begun. By the grace of God, a church in Kenosha will soon be added to those numbers.
