

PRCC Chaplain Ministries

Dear Federal Employee Friend(s) of Chaplain Ministries,

Are you, your family member(s) or friends **federal employees**? This includes military personnel, federal civil service employees, postal workers, Federal Courts, USDA, etc. If so, we have great news.

The PRCC Chaplain Ministries has been selected as an approved charity by the Combined Federal Campaign (CFC). You now have the ability to select a distinctively Christian and reformed ministry to support through your CFC gifts. The CFC is to federal employees what the United Way is to civilian employees.

The PRCC provides constitutionally-approved religious support (biblical preaching, teaching and counseling) for America's Soldiers, Sailors, Marines, Guardsmen, and Airmen. Funds given to PRCC Chaplain Ministries through CFC are used to

- assist in recruiting new chaplains
- provide training for existing chaplains
- pastor and "cover" chaplains and their families (particularly those military chaplains who have experienced recent multiple deployments) through personal visits and retreats,
- continue to work to preserve and advance the Chaplaincy against its critics and adversaries.
- spread the gospel to thousands of men and women who would otherwise likely never set foot in an evangelical church.

CFC Gifts directed to **CFC #38370** will support the chaplain ministries of the PRCC member and affiliated denominations (PCA, OPC, KAPC, RPCNA, KPCA (Koshin) ARPC, and the URCNA). When selecting your CFC charity, simply use our unique 5-digit code:

CFC #38370 Mission to North America (PRCC)

This is an unusual and unique way you can support your chaplains. Please pass this word along to other Christian federal employees you know. Thank you VERY much.

Dr. James R. Carter, PRCC Executive Director, www.PRCC.co
